BAPTISM INFORMATION

Carefully read this [document on Baptism](#) to make certain you understand [baptism](#) in order that you understand our procedure for [baptism](#) here at Kingdom Family International Church.

THE EXPLANATION OF BAPTISM

Who may be baptized?

Anyone who has made a genuine, full commitment of their life to Christ may (and should) be [baptized](#). *You should have a very clear conviction that you have made a decisive commitment to follow Jesus as your Lord and Savior.* If you have any questions or doubts, please call Pastor Valerie.

In the case of children, we ask that their parents talk with them ahead of time to make sure they have made a genuine commitment of their life to Christ.

What is baptism?

[Baptism](#) is a sign or symbol of a person's commitment and loyalty to Christ. [Baptism](#) does not make someone a Christian, or a part of God's family, or a member in the church. That is why we don't [baptize](#) infants. [Baptism](#) is a sign and symbol of a life commitment and relationship with Christ.

Why be baptized?

Christ was [baptized](#) - He is our model. Christ made [baptism](#) an important part of our life with him. [Baptism](#) is a personal step of obedience to the command of Christ. [Baptism](#) is a time when we receive joy and peace as we identify with the death and resurrection of Jesus.

How do we baptize?

While Scripture allows for some variety here, we believe that total immersion under the water is best because it is true to the meaning of what [baptism](#) symbolizes - death and new life.

When should I be baptized?

In the Bible, most people were [baptized](#) soon after they made a commitment of their life to Christ. We think people should be consistently following Christ, and know in their heart that they are genuinely committed to him. If that is true for you - then now is the time to be [baptized](#).
